Original	6336	27 Aug 1973	

THE CORPORATION OF THE DISTRICT OF BURNABY

BYLAW NO. 6336

**A BYLAW to regulate electrical connections to
buildings**

Consolidated for Convenience with Bylaw No. 14670

WHEREAS Council may by bylaw regulate the installation of electrical wiring and equipment and accessories of every nature and kind.

The Council of The Corporation of the District of Burnaby ENACTS as follows:

1. This bylaw may be cited as "BURNABY ELECTRICAL CONNECTION REGULATION BYLAW 1973".
2. (1) (a) No building, structure (including outdoor lighting and freestanding sign), or thing (whether a chattel or not) shall be served by overhead hydro-electric service lines; that is to say, every building, structure, or thing using or designed to use hydro- electric power shall have all electric service lines placed and maintained wholly in underground conduits beneath the lot or lots and road or roads through which such service lines pass.

(b) No building, structure, or thing (whether a chattel or not) shall be served by overhead telephone service lines; that is to say, every building, structure, or thing using or designed to use telecommunication services shall have all such service lines placed and maintained wholly in underground conduits beneath the lot or lots and road or roads through which such service lines pass.

(c) No building, structure, or thing shall be served by overhead electrical transformers; that is to say, every building, structure or thing designed or intended to use hydro-electric power shall have all transformers and appurtenances placed and maintained wholly in underground vaults, ground kiosks or transformer vaults within the building, structure, or thing they serve.
- (2) Nothing in this section, however, shall apply to
